

Be part of the [2010 Annual HIMSS Conference & Exhibition in Atlanta, Ga.](#), the largest healthcare information technology conference in the United States, scheduled for March 1-4, 2010. HIMSS brings timely education and a solutions-focused exhibition to HIMSS10, held at the Georgia World Congress Center, including:

- **Extensive education sessions** with continued emphasis on the American Recovery and Reinvestment Act and new topic categories on workforce development, regulatory compliance, clinical informatics and globalization.
- **Extended exhibit hours Monday through Wednesday** to give attendees and solutions providers more time on the floor. Exhibits close on Wednesday evening with Thursday dedicated to education.
- **Wednesday Exhibit Hall-Only pass** for attendees who want to visit the exhibition for just this one day
- **New pre-conference education on Sunday, Feb. 28:**
 - ARRA Meaningful Use
 - ARRA Quality
 - ARRA Certified EHRs
 - ARRA Interoperability
 - ARRA Privacy and Security
 - Healthcare IT Contracting
 - PHRs
- **A new Venture Fair** format for more interaction among participants discussing *Building Your Health IT Business*
- **Career planning information** with a focus on displaced workers and tips for job seekers and employers
