

ICD-10 is coming in 2013!!

That's just a short three years from now

Will you be ready?

Please join us for a thought provoking and informative webinar on

Wednesday April 7

1:00 to 2:00 p.m. EST

**Hear two industry experts discuss the challenges and opportunities
of the mandated ICD-10 implementation**

Topics to be discussed:

- **Why it's important to begin your planning NOW**
- **Lessons Learned from the Canadian experience**
 - **Implementation Strategies and Tactics**
 - **Initial Activities to get started**

Web Presenters:

Chris Wierz, Courtyard Group

Kerry Johnson, CHIM Information Consulting Inc (Ontario Canada)
